WEDNESDAY, July 28—P. M.

The reversal tone noticed in the stock market during the last two days made further development to-day. The changes from an active buoyancy to a dull weakness were frequent and sometimes rapid.

From the principal Atlantic ports, for weeks ending July 24, and from Jacksonville, Fla., for 1899 and 1900.

Table showing comparative statement showing the total quantity in tons of each article cleared on the canals from July 15 to 22, 1870 and 1880.

The business in State bonds was covered by the sale of one bond of Tennessee 6, old, at 38. Louisiana consols are quoted at 46 1/2.

Railroad bonds generally were dull, and most of the speculative issues were a shade lower. Erie second consols declined to 90, Missouri, Kansas and Texas second consols to 86 1/2.

The sub-treasury to-day gained \$300,000 on balance, made up by gains of \$382,018 coin and \$117,715 currency.

Foreign exchange rates were dull, and quotations were unchanged. The dollar was at 100.

London, British consols were weaker and declined to 97 1/2 for money and 97 1/4 for account.

The gross earnings of the following railroads are reported: WABASH, ST. LOUIS AND PACIFIC.

Table showing gross earnings for various railroads like Wabash, St. Louis and Pacific, etc.
